Dedicated to and in Memory of Evelyn Clark

We have suffered a great loss with the passing of our beloved teacher, director and friend, but the memory of the "little old lady" will live forever in our hearts. We can only hope we gave to her a small portion of what she bestowed upon us. Her courage and love of others was an inspiration to us all. Her life and philosophy of being open and honest with oneself and others was an example to live by. We were taught to love life, enjoy it through laughter and "not to worry" about troubling matters. Mrs. Clark loved Holmes Junior and all those she knew here. We know that she will look down on "her children" and be very proud.

Campus Life ...

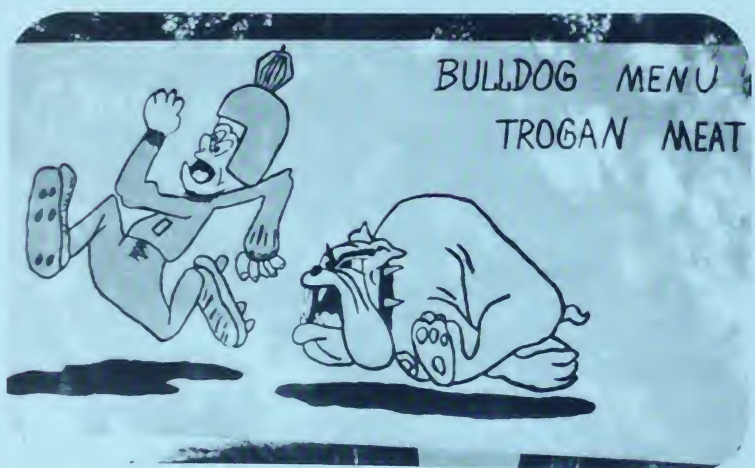

Memories Fade ...

but the Spirit Lingers.

The new IH[®] Axial-Flow combines are here!

Harvest more of what you grow.

These International Axial-Flow combines really are a revolution in combining reliability and productivity. Tests on more than a million acres of crops prove the Axial-Flow harvests more crop than conventional combines.

An IH Axial-Flow combine will also give you better quality crop — with less crackage and dockage. You can even harvest faster with an Axial-Flow, and still miss less grain. And the simple, rugged new Axial-Flow design will mean far less down-time and easier maintenance. In fact, straw walkers are completely eliminated! Stop in soon and see the revolution in combining—the new International Axial-Flow combine.

The work on the yearbook has come to a close. The hours were long, but the staff has pulled together to try to make this yearbook better than ever. Changes were made and we hope that you will enjoy them.

We did our best to cover every event, sport, and club, and I hope we were successful.

I would like to give my deepest appreciation to Mrs. Lynda Irby, our sponsor, Mr. Jim Williams, our faculty photographer, and Darren Davison, our student photographer. Their work and dedication made work on the yearbook go smoother. I would also like to thank the staff members for the work they put in.

I hope you enjoy your annual, and in the years to come, it will bring back fond memories.

Yours truly,

Susan Culipher
Editor
